

Twin Cities Maimonides Society

Co-chairs: Mace Goldfarb, M.D., and Paul Schanfield, M.D.

The Twin Cities Maimonides Society salutes its members – who each make a contribution of \$1,000 or more to the annual campaign of the Minneapolis Jewish Federation or the United Jewish Fund and Council of St. Paul. Their shared commitment to medicine, community and Jewish philanthropy strengthens our Jewish family across the Twin Cities, Israel and 64 other countries.

Dr. Tom Skadron
Dr. Stanley Skadron

* Retired

The Twin Cities Maimonides Society is an affinity group of Jewish physicians, dentists, veterinarians and students affiliated through the Minneapolis Jewish Federation and United Jewish Fund & Council of St. Paul (UJFC).

The Society encourages and strengthens community among society members, provides programming and public service opportunities for tikkun olam (repair of the world), and raises money for the local and overseas Jewish communities through the Federation and UJFC.
